## **National Fraud Initiative**

Invest Northern Ireland is required by law to protect the public funds it administers. It may share information provided to it with other bodies responsible for auditing or administering public funds, in order to prevent and detect fraud.

The Comptroller and Auditor General audits the Accounts of Invest Northern Ireland. The Comptroller and Auditor General is also responsible for carrying out data matching exercises under his powers in Articles 4A and 4G of the Audit and Accountability (Northern Ireland) Order 2003.

Data matching involves comparing computer records held by one body against other computer records by the same or another body to see how far they match. This is usually personnel information. Computerised data matching allows fraudulent claims and payments to be identified. Where a match is found it indicates that there may be an inconsistency that requires further investigation. No assumption can be made as to whether there is fraud, error or other explanation until an investigation is carried out.

The Comptroller and Auditor General currently requires us to participate in data matching exercises to assist in the prevention and detection of fraud. We are required to provide particular sets of data to the Comptroller and Auditor General for matching. Details are set out in the Northern Ireland Audit Office's website, [www.niauditoffice.gov.uk](http://www.niauditoffice.gov.uk).

The use of data by the Comptroller and Auditor General in a data matching exercise is carried out with statutory authority. It does not require the consent of the individuals concerned under the Data Protection Act 1998.

Data matching by the Comptroller and Auditor General is subject to a Code of Practice. This may be found at [www.niauditoffice.gov.uk](http://www.niauditoffice.gov.uk).

For further information on the Comptroller and Auditor General's legal powers and the reasons why he matches particular information see: [http://www.niauditoffice.gov.uk/pubs/NationalFraudInitiative/Layered\\_Fair\\_Processing\\_NoticeLevel3.pdf](http://www.niauditoffice.gov.uk/pubs/NationalFraudInitiative/Layered_Fair_Processing_NoticeLevel3.pdf)
