

**What could a £5,000
Innovation Voucher
do for your business?**

What can you use an Innovation Voucher for?

Innovation is about making your business better by doing things differently or doing different things. An Innovation Voucher can help you take a creative approach to tackling specific business issues or exploring new opportunities by accessing the expertise of a university, college or research body in Northern Ireland or the Republic of Ireland.

Typical projects are:

- Ideas for new or improved products, processes and services
- Access to information and expertise on new materials
- Tapping into research and scientific expertise
