

International Trade Calendar

Exhibitions and Trade Missions

Want to get out there and explore new markets?

Invest Northern Ireland's unique combination of professional trade advice, industry knowledge and in-market expertise can support your business every step of the way in identifying and developing opportunities in export markets.

The wraparound support of our experienced trade team and sector-specific trade advisors, complimented by our extensive network of commercial experts around the globe, can help you assess your export-readiness, devise your export strategy, and prepare you to explore and maximise opportunities in new markets. This expertise combined with a range of export-related financial incentives provides the confidence and capability to help you get out there and explore new opportunities.

Our programme includes sector-focussed visits, exhibitions, and trade missions across a range of industries and markets for Northern Ireland businesses. Whether you are new to exporting or want to expand your international customer base, Invest NI's comprehensive calendar of activities could help you and your business to go further and grow stronger.

Exhibitions and Trade Missions are subject to change.

If you are interested in finding out more about participating in Invest NI overseas events or relevant support packages, please contact us at 0800 181 4422 or email exportevents@investni.com. To explore our full range of export support services visit investni.com/export.

Aerospace and defence

A global leader in aerospace technology, defence, and security rich in knowledge, skills and experience, the sector in Northern Ireland has expertise in key technologies and a resilient, competitive, award-winning supply chain.

Key areas of strength include aircraft interior composites design and manufacturing, aerostructure, as well as cyber security, covert technologies and security training and clothing.
