

<b>NWRIC Northern Ireland Pitch Event</b> Supporting Australian recycling infrastructure and reducing waste	
 The logo for CK International, consisting of a stylized orange 'C' and a grey 'K' with horizontal lines below it, and the word "International" underneath.	
<p>CK International is a market leader in waste compaction solutions. Based in Dungannon Northern Ireland, we design and manufacture a full range of vertical, semi-automatic and fully automatic twin ram balers. The company distributes worldwide and customers include Amazon, Biffa, Veoila and IKEA. We work with a variety of sectors from waste recycling, waste management and municipalities to logistics, retail and manufacturing.</p>	
<p>CK International Natasha Mitchell International Sales Manager E: <a href="mailto:natasha.mitchell@ckinternational.co.uk">natasha.mitchell@ckinternational.co.uk</a> M: +44 (0)77 1339 3417</p>	 A portrait photograph of Natasha Mitchell, a woman with blonde hair, wearing a floral patterned top, smiling.
<p>Distributor: Focus Enviro / Bucher Municipal Contact: Robbie McKernan / Wayne Hogan Email: <a href="mailto:robbie@focusenviro.com.au">robbie@focusenviro.com.au</a> / <a href="mailto:wayne.hogan@buchermunicipal.com.au">wayne.hogan@buchermunicipal.com.au</a></p>	
 A photograph showing a large industrial waste baler in operation. A large pile of waste is being processed by the machine in a factory setting.	<p>Link to video <a href="https://vimeo.com/566045906">https://vimeo.com/566045906</a> Password: edit</p>
