

InterTradelreland, the Cross-Border Trade and Business Development Body has been helping small businesses in Ireland and Northern Ireland explore new cross-border markets, develop new products, processes and services and become investor ready over the last 20 years.

InterTradelreland's Funding for Growth Initiative assists established businesses looking for alternative means of growth finance and high potential start ups/early stage companies looking for **Seed Funding, Business Angel Investment, or Venture Capital** funding to help them to grow and to become more investor ready.

Funding for Growth provides a wealth of knowledge, expertise and skills for businesses **to help them to secure other key sources of finance** to grow their business.

Services for early stage companies include:

- **Equity Advisory Service** – clinics and workshops
- **Annual Venture Capital Conference** and access to potential investors
- **Business Angel Funding**
- **Seedcorn competition** with €300k total cash prize fund

Services for established businesses include:

- **Funding advisory workshops**
- **One to one advice** and sign posting service
