

INVEST NI PORTFOLIO CONTRIBUTION 2023

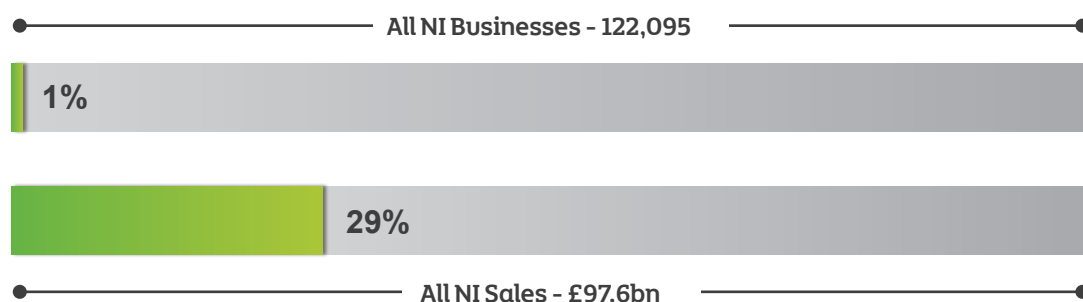

Source: Invest NI CPIs, NISRA: Broad Economy Sales and Exports and Dept for Business, Energy and Industrial Strategy: Business Population Estimates

The group of over 1,400 businesses which comprise the Invest NI portfolio are supported on the basis of their potential for growth, primarily through the development of markets outside Northern Ireland.

This infographic positions the portfolio in the context of the overall Northern Ireland business base, showing its important contribution to private sector sales, external sales and exports.

Invest NI businesses account for **1% (1,428)** of all businesses, but generate **29% (£28.2bn)** of all sales

Invest NI businesses account for **8% (1,330)** of all businesses with external sales but generate **67% (£22.2bn)** of all external sales

Invest NI businesses account for **10% (1,217)** of all businesses with export sales but generate **62% (£10.0bn)** of all export sales
