NOTES:

1. Numbers in the table relate to the amount of the working age population.

2. The left DCA column is place of residence, the top DCA row is place of work, e.g. 460 people who live in Antrim & Newtownabbey work in Armagh City, Banbridge & Craigavon.

3. The colour of the boxes represents the percentage of the overall working age population from the DCA on the left, e.g. between 20 and 29% of people who live in Lisburn and Castlereagh work in Belfast.
