Mourne Dew Distillery combines family heritage with modern distillation to create spirits of unmatched quality. From old mash bills to innovative cold distillation, every bottle reflects care, skill, and a commitment to excellence. Our journey began with a simple passion: to create exceptional spirits that capture the essence of our heritage and the purity of our local landscape. We blend tradition with innovation. Our whiskeys are matured using old mash bills and careful wood selection, while our gins, vodkas, and poitíns benefit from pioneering cold distillation. Every spirit is crafted with precision, care, and respect for nature.
